Easton/Hooters/Rockets sweep a pair of one-day C/D NITs

Top: The Easton/Hooters/Rockets swept both one-day C/D NIT's at BeBops on July 23 and 24. The Rockets are 38-12 so far this year with four tournament wins and three second-place finishes. The team is preparing to make a postseason run with two State Tournaments (C and open), Nationals and hopefully ending the season with a solid performance at the USSSA "C" Worlds in Orlando.

Bottom: While waiting in between games on July 24, Batman and Batgirl stopped by BeBops to raise money for a friend with medical needs by posing for pictures. During all of the excitement, Robbie Rocket was apprehended and cuffed by Batman. The reason for the arrest is still under investigation.

Two repeat performances for TC Turmoil

The TC Turmoil co-ed team out of Blaine, Minn., has had two big repeat performances this summer. In June, TC Turmoil took first in the Father Hennepin tournament (Champlin, USSSA) by beating Wise Guys and then Southside Slammers (14-13) to win their berth to the World Tournament in Florida in October. In July, TC Turmoil took first at the 53rd Annual Firemen's Memorial Softball Tournament (Bloomington, ASA). TCT was undefeated going into the championship game, but lost 6-3 to a tough BBS squad, and came back to win the IF game 17-15. TC Turmoil were champs in both tournaments in 2010 and 2011!
